In Medical Corps

CAPT. FRANK V. MONDRIK
Medical Corps U. S. Army

Capt. Frank V. Mondrik is the son of Mrs. Frank C. Mondrik and the late Frank C Mondrik of this city.

Capt. Mondrick is a graduate of Yoe High School, finishing with the class of 1925. He entered the University of Texas, Austin in 1926, receiving his B. B. A. in 1930. While in the University he lettered in track in 1928-29-30, being Captain of the team in 1930. He was member of Phi Kappa Psi, social fraternity, member of Beta Gamma Sigma, honorary scholastic fraternity of B. B. A. School, member of Alpha Delta Sigma honorary advertising fraternity, and a member of the Daily Texan Staff.

After receiving his B. B. A. in 1930 he entered the University of Texas Medical School and graduated in 1934 finishing second in his class. While in the Medical School he was a member of Phi Beta Pi, social fraternity, and was one of the Junior Five to become a member of Alpha Omega Alpha, honorary scholastic fraternity of Medicine.

Upon completing his internship in John Sealy Hospital, Galveston, he entered the Markham McCree Hospital of Longview. In 1936 he was appointed House Surgeon of T & P Railway Hospital of Marshall, remaining there until June 1940, at which time he entered into general practice in Marshall, where he continued until he was commissioned in the Army of U. S. in July 1942, as Captain in the Medical Corps. While in Marshall he also served as County Health Officer of Harrison county.

Capt. Mondrik was placed in the Medical Replacement Training Center, Camp Barkley, Abilene, later being transferred to Camp Howze, Gainsville, and placed in the Medical Detachment of 334th Infantry Regiment of the 84th Division. In February he went to Carlisle Barracks Pennsylvania for a six week refresher course in Medical Field Service. In July, being relieved of his assignment to Camp Howze, he was assigned to the 34th Evacuation Hospital at Camp Polk, La. Capt. Mondrik's Unit is now on maneuvers in Louisiana.

In June of 1929, Capt. Mondrik was married to Miss Dana Bramlette of Longview. They have one daughter, Beverly Dana, age 12. Mrs. Mondrik and daughter are located in Dallas, 3209 Drevel Drive.

Retail Beer Dealers To Close Sundays

Retail beer dealers in Cameron and vicinity have announced they will close on Sundays, due to the fact that beer is rationed and the supply is insufficient to justify opening on these days.

Announcement was made Saturday morning in a signed advertisement sent to The Herald for publication by the dealers.

Grady Little, Chairman of the Wholesale Distributors Association in Cameron, said local retail dealers do not get enough beer to supply demands and that they feel under such circumstances Sunday closing will not only aid the government ration program but will enable the dealers to have a day of rest.

The sale of beer will not be made for the first time on Sunday in Cameron tomorrow, August 22.

THANKS

For your co-operation during the absence of the publisher from the city. Due to unavoidable circumstances the weekly Herald was not issued until Saturday, late, and The Midget was issued very efficiently by employes in the absence of the publisher.

Mr. and Mrs. Clarence Mowdy of Hanover were in Cameron Tuesday.

TWO BADLY INJURED IN HIGHWAY CRASH

Two are badly injured and in a local hospital and one is severely hurt as the result of a car and truck crash Friday night on the highway east of the underpass near Milano.

The injured are: Clay K. Taylor and Mrs. Louis Davis of Lott; the injured Joe W. Grabner of Rogers.

Deputy Sheriff Carl Black was called to the scene of the wreck shortly after the crash occured. He said the cars crashed east of the underpass of the Missouri Pacific rail road.

Mrs. Davis is badly cut and bruised and Mr. Taylor is the more severely injured, maybe internally. Both are in the Newton Memorial Hospital.

Mr. Taylor and Mrs. Lewis were on their way to the coast and Mr. Grabner was returning from Bryan. It was presumed the misjudgment of the highway and the hazards of night driving were major factors in the cause of the crash.

NEW GEORGIA ISLAND TAKEN BY AMERICANS

All Jap resistance on New Georgia Island has ceased, it was announced early Saturday from the South Pacific headquarters of General Douglas MacArthur.

According to the noon broadcast of news the Japs have only one stronghold left in the Solomons group of Islands. This position is now declared to be untenable and the American navy has already cut communication lines.

The war in the Solomons has been tough and bloody. The Americans have won it in the most primitive sort of way. They seek out the enemy and kill him.

A new crisis has developed in Soviet-Allied relations so far as a second front is concerned. Moscow is now pleading for and demanding a second front in Europe while the Red army pushes on with increasing successes over the Germans.

Stepping up the air assaults on Axis Europe, both the RAF and the American air forces were busy over the night. Some thousand British bombers struck at Nuemberg, the Ruhr and occupied countries. The RAF lost 33 planes.

Strong enemy resistance has been encountered in Italy. Railroads and other objectives were bombed and 30 enemy planes shot down. Central Burma has been heavily bombed.

PFC. JAMES (BUCK) WILKERSON

Pfc. James (Buck) Wilkerson, son of Mr. and Mrs. J. A. Wilkerson of Branchville is now serving Uncle Sam in the United States Army Air Corps.

Pfc. Wilkerson was accepted in service March 16, 1943, and on May 5, 1943, which was seven weeks he received his first stripe.

Pfc. Wilkerson took his basic training at Sheppard Field, Wichita Falls and is now going to mechanical school at Lincoln Air Base, Lincoln, Nebraska.

Pfc. Wilkerson graduated from Yoe High School in the Class of 1942, and was a letter man in football.

The Negro Home Demonstration for Milam county, Lottie Boone, has resigned her position and is leaving for Prairie View where she will take on studies for higher work, and T. W. Rowan will arrive to take her place coming from Prairie View. The work of the colored home demonstration agent will be continued for Milam county.

In Nurse Corps

LIUET. JUANITA HELEN WOLLE

Lieut. Juanita Helen Wolle is now stationed at the army hospital in Fort Bliss near El Paso.

Lieut. Wolle completed her high school work at Sharp High School in 1937 and in the fall of that year entered King Daughters Hospital schopl of nursing and completing her 3 years course, graduated in 1940. She then went to Tyler to the Mother Frances Hospital for one year and from there volunteered for the army in March 1942.

She was sent to the Station Hospital at Fort Bliss, El Paso, where she is now stationed. This is one of the largest hospitals in the army and Lieut. Wolle likes her work and is making fine progress.

Lieut. Wolle is the youngest daughter of the late Fred G. Wolle, and Mrs. H. F. Lange of near Sharp. Her brother, Pvt. Lawless L. Wolle, is with the American forces in North Africa or Sicily.

DR. NEWTON EXPECTED HOME TODAY OR SUNDAY

Dr. W. R. Newton was expected home in Cameron late Saturday or Sunday.

He was released under recognizance bond of $2000 Thursday and returned to his hotel at Palainview where Mrs. Newton, gravely ill, was unable to appear for trial in the District Court at Olton.

Dr. Newton was found guilty by a jury in District Court at Olton in Lamb county late Wednesday on a charge of assault with intent to murder in connection with the shooting of Dr. Roy Hunt near Littlefield in May 1942.

Mrs. Newton, also indicted, was unable to appear for trial Thursday. Three physicians, including Dr. T. E. Crump of Cameron testified as to her condition. Mrs. Newton was ill when the trial of Dr. Newton began Monday. She was taken late Saturday from her hotel in Plainview to the home of her mother, in Clarendon.

Attorneys for Mrs. Newton obtained a delay in her case when Judge J. D. Russell set the trial for November 15, 1943.

Dr. Newton drew a 7 year prison verdict from the jury. A motion for a new trial was denied and Camp & Camp, attorneys, were understood to be perfecting an appeal in the case.

While the lawyers did not say that a change of venue would be asked in the event the case is remanded, it was believed such would be the proceedure due to the certainty of prejudice and opinions already formed among the people of Lamb county where the shooting is alleged to have occured.

FUNERAL SERVICES FOR MRS. ROB FULLER FRIDAY

Mrs. Rob Fuller, 88, died at 9:30 a. m. Thursday at the family residence in Cameron.

Rob Fuller, late husband of Mrs. Fuller, died on Wednesday, August 4, 1943, at the home in Cameron. He was 89.

Funeral services for Mrs. Fuller will be held at 4 p. m. Friday afternoon at the North Elm Baptist Church. Rev. H. E. Crone, pastor Christian Church of Rockdale, will conduct the services.

Mrs. Fuller was born in Alabama in 1854. With her husband they made their home in the North Elm Community for many years. She had been in ill health for a long period of time.

Mrs. John Howard and friend, Mrs. Fairley of Lubbock, have been visiting Mrs. Howard's sister, Mrs. Perry Wilkerson.

Goes To War

LIEUT. BETHINA CALDWELL

Lieut. Bethina Caldwell, according to information, has reached England to do her share in this war to liberate the world from Axis domination.

Lieut. Caldwell, Nurse Corps, United States Army, has much more at stake in this war than the average. Her mother was a French woman C. G. (Woody) Caldwell, a brother of W. T. Caldwell, Sr., is a veteran of World Way No. 1, serving with the 36th Division. While in France he married and brought his French bride to America.

Lieut. Caldwell lives at Bellville in Michigan where the family has made their home for years. She attended nurse school at Bellville, Michigan and enlisted in the army. Jacqulin Caldwell, a sister, is also in training.

Lieut. Caldwell is now in England. Over there also is her cousin, Lieut. Caldwell, U. S. Navy Air Corps, a combat pilot flying the Marauder.

OVER 2000 BALES OF NEW COTTON RECEIVED

More than 2000 bales of new cotton had been received in Cameron up to noon Saturday, it was announced at the Cameron Compress Company.

Clear, dry weather, plus a large production, was bringing in the staple at a rapid rate. Latest estimates say that the county will likely produce about 30,000 bales.

Cotton was bringing the farmer net about $125 per bale Saturday. The basis price was 20c and W. O. Triggs at the Triggs Cotton Company said bale weights was everaging out about $107 per bale and seed was around $18 net out of each bale. Cotton in March 1918 was 31c and the present prices is the highest since World War No. 1.

TIN CAN DRIVE HERE HAS SLOW BEGINNING

Cameron's response to the tin can collection was believed to be very poor for the first collection date.

It was reported to The Herald Saturday that city trucks obtained only a small truck load for the entire city.

The tin can collection campaign in Temple was also poorly responded to. Whether the request was understood or whether the showing is a lack of interest could not be determined.

Regular collection dates will be announced from time to time. One of the main reasons for poor collection may be attributed to the fact that canned goods are fast disappearing from grocery shelves and the supply will of necessity be limited for the duration.

Lieut. Haygood is Made Captain; Now At Marfa Air Field

Lieut. John Calvin Haygood, United States Army Air Corps, has been promoted to the rank of Captain, it was announced Wednesday.

Captain Haygood is now stationed at Marfa air field. He has been an instructor for more than 2 years, first serving in California.

Capt. Haygood was in Cameron early this year. Mrs. Haygood, the former Miss Katherine Mode, daughter of Mr. and Mrs. George Mode of Cameron, has visited here often since her marriage to Capt. Haygood in California in 1941.

Capt. Haygood is the son of Mr. and Mrs. J. W. Haygood of Temple. They formerly lived in Cameron where Mr. Haygood was agent for the Railway Express Company.

RAYMOND ALLISON IS KILLED IN ACTION

Raymond Allison, Jr., with the United States Marines in the South Pacific, has been killed in action, according to a telegram received by his parents late Wednesday.

While the message from the War Department did not say that Allison had been killed, the parents were told their son was missing in action and is presumed to be lost.

The message was delivered to the home near Buckholts late Tuesday.

Pvt. Allison graduated from Yoe High School two years ago and enlisted in the Marines. He was 22 years of age.

Pvt. Allison was the son of Mr. and Mrs. Raymond A. Allison, Sr., of Buckholts and a nephew of Frank Heitmann at the Grifith Barber Shop in Cameron.

Mr. Heitmann said the family had received no additional information. They did not know of their son's whereabouts at time he was killed or lost in action.

The United States Marine Corps has been in action in the South Pacific and Pvt. Allison was known to have been in Australia and to have been on active duty in the Pacific theatre of war.

The War Department follows up the telegraph notifications with additional information as soon as possible.

W. N. (BILL) BURNS

W. N. (Bill) Burns, now stationed on an island off the Texas mainland at the great naval base at Corpus Christi, has concluded a few days visit with Mrs. Burns in Cameron and other relatives.

Upon his return to the base, he took up duties which as the war proceeds become more important. Shortly after his enlistment last year, he was singled out for special training because of his educational background. He was sent to a naval school and although he has not discussed his work, it was understood he has had much to do with the development of Radar, the new naval weapon, about which there has been so much said in recent weeks.

Bill does a lot of flying in the navy, likes his work and his friends are proud of him for the success he has made in Uncle Sam's Navy. He obtained his engineering degree from Texas Technological College at Lubbock.

He volunteered in 1942, leaving his business in Cameron which is half interest in the Marek-Burns Funeral Home and Burial Insurance Association.

TOM ANGLIN IS FOUND DEAD AT SHARP HOME

Tom Anglin, 73, was found dead in bed at his small farm home near Sharp Friday.

Mrs. Anglin, aged mother of the dead man, now 92 years of age, tried for three days to arouse neighbors by pounding on a large plow point suspended from a tree, a signal she had often used to attract attention.

According to her story the son, Tom died on Sunday, August 15. The body was found in bed by Luther McDonald, Justice of Peace, called for the inquest. Clifford Walker was the first to reach the house. The aged mother said she had beat on the plow point, called a sweep, several days. Mr. Walker heard the sound on Friday and knew it was a call for help and went over.

Nine years ago Tom Anglin was tried for murder in district court here for the slaying of his brother, Lee Anglin. They quarreled over household affairs. At the time Tom Anlin was about 61 years of age.

The jury found Anglin guilty and recommended a suspended sentence.

Justice McDonald asked the mother if she had any money and she replied she had about $100. She went to a bureau drawer and took out a wallet containing $1800.

Judge Jeff T. Kemp, who some years ago, assisted Mrs. Anglin in getting a Confederate Pension, expressed belief that this money had been saved through years and some of it may have been accumulated by her sons.

The Confederate Pension has been $25 per month for years but has been raised to $30.

Funeral services were held Saturday for Tom Anglin, with burial in the cemetery at Sharp.

MRS. REBECCA FLEISCHER DIES HERE SATURDAY

Mrs. Rebecca Fleischer, 78, died at the home of her son, Abe Fleischer, prominent merchant, at 7:45 p. m. Saturday, August 21, 1943.

Mrs. Fleischer was born in Austria. She had been a resident of America for 50 years and for 20 years of that time had made her home in Omaha, Nebraska, where Rabbi Fleischer, her husband, was pastor of the Jewish church.

Mrs. Fleischer had made her home in Cameron for the past 6 years.

Funeral services were held Monday morning at 11 o'clock from the Wilkerson-Hatch Funeral Chapel in Waco, the body having been removed there Saturday night by the Marek-Burns Funeral Home in Cameron. Rev. Charles Blumenthal, conducted the services. Interment was made in the Agdudath Jacob Cemetery in Waco.

Surviving are: the following children: Mrs. A. L. Frank, New York; Mrs. L. Finkelstein of Oklahoma City; Mrs. Lee Worth of Cameron; Abe Fleischer of Cameron and Max Fleischer of Litchfield, Illinois.

Mrs. J. Nabors Beats President in Fishing Luck of the Week

Some days ago the President by the simple process of a hook and line and worm lifted some choice black bass from Canadian waters. On the whole it was a good fish story. Mr. Roosevelt put out his two hands and drew them in closer to indicate the size of the fish.

Late Wednesday Mrs. J. Nabors in Cameron stuck out both her hands and moved them far apart to indicate the size of a choice cat fish that weighed 23 1-2 pounds she caught from the lake and the Spring Lake Fishing Club.

Like the President, Mrs. Nabors had a simple line and hook and a worm. The cat was a long beautiful fish and needless to say the Nabors' had a good feast with no ration points required.

KISKA SURRENDERED BY JAPS AUGUST 15

New blows may be rained on the Japs to knock out the Pacific criminals of the Axis before Hitler and Nazi German are beaten, it was indicated from Quebec early Saturday where President Roosevelt and Prime Minister Churchill and staffs are in conference.

Plans for an all out assault upon Japan comes more into the picture each day and there was open speculation that such might be the next turn of the war.

It was revealed early Saturday that Kiska, last of the Japanesse bases in the Aleutian Islands, was surrendered to forces of the United States and Canada on August 15.

This announcement confirms a story published in The Herald at the time based on a news broadcast from Tokyo.

The Japs offered little resistance. They had evacuated the island before the Allied forces arrived and the surrender of the Island was believed accomplished without loss whatever to the Americans.

In New Guiena around Salamaou the Japs are in retreat. They are reported fleeing to the inner defense of the air base now virtually under siege. General Douglas MacArthur said the Japs are in flight before the Americans on New Guiena.

President Rcosevelt will address the Canadian Parliament on next Wednesday. His address will be broadcast to the world over all important net works. The address is expected to sum up the results of the Quebec conferences.

The Red Army was marching deep into the heart of the Ukraine country, driving the Germans back on a wide front.

The world was expecting some ma for new blow either in the Pacific or on the continent of Europe.

Miss Lois Robbins and Jack Newton Were United in Marriage at the Home of the Bride's Mother Here on Saturday, August 21, 1943

A beautiful twilight wedding was that of Miss Lois Robbins, daughter of Mrs. Katheryn K. Robbins, to Jack Newton, Saturday, August 21st, at 8 o'clock at the home of the bride's mother, with Rev. John Solomon, pastor of First Presbyterian church reading the impressive ring ceremony before an improvised altar in the living room.

The reception room was attractively decorated with Abelia in large tall floor baskets, and was banked on the mantle, with baskets of the chosen flowers carrying out the color scheme of white and green. White burning tapers shed a beautiful color over the reception room.

Mrs. Francis Cox presided at the piano and gave the wedding music, and accompanied Mrs. A. J. Triggs of Calvert who sang "I Love You Truly" and played softly "Ava Maria" during the ceremony.

The bride was given in marriage by her brother in law, O. B. Mackensen. The bride wore a smart fall costume of steel blue cloth suit with white accessories, with finger-tipped veil of tule that was held by white astors, and carried a bouquet of tufted chrysanthemums and astors. Her only attendant was her twin sister Mrs. J. W. Davis of Abilene who was attired in heliotrope crepe and wore a corsage of gold Talesman rosebuds. The bride is a graduate of Texas University, and has taught school several years.

The ring bearer was little Wallace Mackensen, nephew of the bride, and carried the ring in a crystol container surrounded with looped lace and gold ribbons.

The bride groom was attended by a friend of many years, J. A. Tiereney of Palestine.

Following the bridal ceremony the guests repaired to the electrically lighted flower garden where garden furniture provided seats, and the large handsome table was laid with an imported lace cover with maderia napkins. The bride's cake a beautiful two tier rested amid a floral setting, where the bride cut the cake, which was served with fruit punch with fruit bars, san tarts, checkerboard and rolled cheese sandwiches with little Misses Marjorie Denson, Marie Neill McClellan and Margarett Horstmann, all of whom were attractively dressed in white. Souveniors were tiney bags of rice tied with ribbons.

The bride and groom slipped away during the garden party reception for an unannounced destination for a few days wedding trip, and will go to Shreveport where they will make their home.

Out of town guests present were: Mr. and Mrs. J. A. Tierney and Miss Martin of Palestine, and Mr. and Mrs. O. B. Mackensen and son Wallace, of Baton Rouge, La., and Mrs. A. J. Triggs of Calvert.

The many beautiful wedding gifts were viewed by the guests present.

HELP SAVE 72,000,000 POUNDS OF FEED

You can cull 20 per cent or more of your hens now if they have not already been culled. A reduction of 20 per cent of culls in all flocks in Texas mean a saving of approximately 72,000,000 pounds of feed during the next two months.

Feed is Scarce, So Help Save it by Culling Now

Confine hens to the house during the night—next morning use a catching hook and work quietly among them. Take out all that look like this:

1. Shriveled combs.
2. Yellow legs and beaks.
3. Molters.
4. Weak and emaciated.
5. Gray eyes.
6. Saggy abdomen.
7. Coarse, masculine heads.
8. All roosters.

Weed the Culls, Feed the Layers

When you cull your flocks now you accomplish four important things:

1. Saves Feed.
2. Meat for table. Saves Ration Points.
3. Canned chicken, for Year-round use.
4. Cash for loafers.

Cull today, so you can feed tomorrow.

JUNIOR SWIM MEET AT MUNICIPAL POOL

Interest was fast developing Friday in the coming Junior Swiming meet to be held in the Municipal Pool at Wilson-Ledbetter Park.

The meet will be held on Wednesday, August 25 beginning at 7 p. m.

Age groups eligible are up to 18 years

Bill Bonwell, who has been made Life Guard at the pool is to sponsor the meet and the City Council is pledging funds for prizes in the sum of $25.

Registration for the competition must be made by 6 p. m. Monday night, August 23, in order that Mr. Bonwell may know the extent of the field and make preparations accordingly.

The purpose of the meet is to stimulate interest in swimming and to give a host of young swimmers her an opportunity to demonstrate what they can do. The pubilc is urged to attend.

Free instructions on racing technique are being given at the pool until Friday night. No entrance fee is required for the meet except the price of admission. Ban on children under 15 entering the pool has been removed and this should stimulate many to get ready for the meet.

Mr. Bonwell said the Cameron band will play and this will give added entertainment for the evening.

The municipal pool is one of the best operated in the state, is clean and ideal in every way. Since infantile paralysis dangers have subsided the pool should be enjoyed to the fullest.

Any information you may desire can be obtained by calling the pool and talking to Bill Bonwell.

SPECIAL HOSPITAL TRAIN REACHES McCLOSKEY

A special hospital train loaded with battle casualties from the Mediterranean theatre arrived from the east coast at McCloskey General Hospital Tuesday morning.

"A large number" of the patients brought in on the train were prisoners of war casualties from Sicily and North Africa, hospital authorities said.

Special prisoner wards have been set aside at the hospital for these patients. They are both German and Italian.

Prisoners of war patients are given the same food and hospital accommodations and the same treatment as American soldiers, under provisions of the Genoa convention governing the treatment of war prisoners.—Tempe Telegram.

NEW WORRIES FOR THE NAZIS TURN UP

Berlin, harried by Allied nuisance air raids in the midst of a wholesale evacuation of its population, met new worries Friday with Swedish ire and Danish insubordination mounting in the north and the determined aerial smashing of southern Italy increasing in the south.

On Germany's eastern front the Russians pressed farther into the Ukraine and improved their positions in the Donets basin. To the west there were signs that Allied actions may make the circle complete.

For Germany's ally, Japan, the thunder too was rumbling. Lord Louis Mountbatten, newly appointed Allied supreme commander in south east Asia, arrived in Washington and made clear that American, Chinese and British forces will share in the forthcoming operations in Burma. He went immediately into conference with Admiral Ernest J. King, U. S. commander of fleet and chief of naval operations.

Limited recognition of the French committee of National Liberation was accorded last night by the United States, Great Britain and Canada. Belgium and Cuba have already recognized the committee headed by Generals Charles DeGaulle and Henri Giraud and many other governments were expected to follow shortly.

In almost similar statements the United States, in a note from President Roosevelt, and the British government acknowledged the committee's right to administer French territory overseas but failed to call it a government and emphasized that it would be up to the people of France to choose their own government when the Germans are defeated.

Swedish Fishing Boats Sunk

Dispatches from Algiers said the French greeted the recognition with unqualified satisfaction although the committee had been pressing for full recognitions.

Neutral Sweden, source of important iron ore, wood pulp and other raw material essentials for the German war machine, reported that two Swedish fishing boats were said to have been sunk by three German destroyers in the North sea off Denmark. If confirmed, the foreign office said, Stockholm would consider the case "extremely serious."

Sweden already has closed down on German transportation of troops to Norway and has been incerasingiy firm toward Berlin.

Mrs. Permelia Anglin, 92 Taken to Confederate Home at Austin

Judge and Mrs. Jeff T. Kemp, Tuesday afternoon. took Mrs. Permelia Anglin, Confederate widow, age 92, to the Confederate Women's Home in Austin. Her son, Tom Anglin, was buried in the Friendship cemetery last Sunday. After his death there is no relatives whose address is known although there are supposed to be many. Since the death of her son she has been entertained at the home of Mr. and Mrs. Curtis Rhodes. Mrs. Rhodes and her daughter, Lynn, accompanied the party to Austin. The party were lound in their praise of the beautiful institution and it's management.

In accordance with law, Mrs. Anglin will receive the best of treatment, with access to hospital free, and in addition will receive one half of widow's Confederate Pension which is $15 per month.

JITTERS HIT ALLIES OVER RED DEMANDS

Distress of a degree to cause genuine alarm hovered over the Allied capitals Monday as rumors ran riot over impending decisions forced by the attitude of Soviet Russia.

Sumner Welles, under secretary of State, left Washington suddenly. Cordell Hull, Secretary of State is in Quebec.

Anthony Eden, British Foreign Secretary, left Washington for an undisclosed destination Rumors had it both Eden and Welles are on their way to Moscow to patch up the threatened break with Stalin.

The Allied politicians were in a stew. London was roaring over the recall of Maxim Litvanoff, envoy to Washington. Stalin gave no explanation. He recently recalled Irvin Maisky from London. Some seemed to think this action precedes a more serious development. Soviet Russia is demanding a second front across the channel from England; is tired of conferences and bombast.

The Axis are making the most of it.

Secretary Knox of the navy has gone to Quebec.

Opinion has been expressed that the Japs only wanted to occupy Kiska to fish and having had it for 14 months retired. One expert said Japan will be at war with Russia in a year.

One thing appeared most likely, that unless the United States and England attack Germany serious if not fatal consequences may ensue. Belief that such is known to both Roosevelt and Churchill may have inspired the rumors and distress hovering over Quebec.

Mrs. W. D. Bigbee visited with friends in Bryan Sunday and met a friend who has just returned from Puerto Rico who was with the same company that Mr. Bigbee is with, and gave a fine report on the place where W. D. is working. W. D. is expecting to return to the U. S. A. about the first of November this year.

Miss Thelma Keese, Assistant Home Demonstration Agent for Milam county, has received a promotion and will leave here around September 9th for Hamilton county, and will be stationed at Hamilton. Miss Keese came to Cameron January 1, 1942, and has made many friends here who regret to give her up, but wish her well in her new work. Miss Lucille Cook of Kunz, formerly of Dallas, will arrive on the 9th of September to take the place of Miss Keese. Miss Cook has been teaching for several years.

Mr. and Mrs. A. J. Garner of San Gabriel, will observe their 56 wedding anniversary, Saturday, August 28th, 1943, at their home.

JAP DOMINATMED GUINEA COASTS HIT BY WARSHIPS

Allied warships, striking 700 miles westward into seas controlled by the Japanese for many months, have bombarded the enemy on the northeastern coast of New Guinea for the first time since the war started.

This daring raid, apprently made without challenge, was the first penetration of naval units into waters between Japanese strongholds on New Guinea and New Britain, far west of their usual scene of activity in the Solomon islands.

The Tuesday communique of General Douglas MacArthur reported that on Monday night light warships, probably destroyers, moved into the narrow part of Dampier strait, 70 miles northeast of Salamaua, to bombard at close range the dock and supply dumps at Finsschhafen.

Preveiously naval activity in that area had been confined to torpedo boats. The air force has been the main striking power against the supply base for Salamaua.

The naval bombardment was additional evidence of the increased sea power of the Allies in the Pacific.

It followed other naval actions in the central Solomons, once dominated by the Nippones. A year ago the enemy would have challenged any American or Australian warship moving into the southern Solomons, 700 miles east of New Guinea.

The attack on Finschhafen was in support of ground forces which have advanced to within two miles of the vital Salamaua airdrome and seaport. Australians in that sector crossed the Francisco river, south of the airfield, and apparently encountered little opposition from the Japanese.

Salamaua itself was under the artillery fire of Americans and Australians holding ridge positions above the town.

Elsewhere in the South Pacific air attacks by the Allies carried on most of the offensive actions. In a round-trip flight of more than 2,000 miles bombers raided Kendari and its air base in the Dutch Celebes. Other planes bombed and strafted the airdrome and dump area at Gasmata, New Britain, northeast of New Guinea.

700,000 Acres of Big Bend Deeded To United States

Austin, Aug. 26—Title to approximately 700,000 acres of land in Brewster county today passed to the federal government which will develop the area into the Big Bend National park in the post war period.

Governor Coke R. Stevenson's signature on a deed to the state owned land gave title to the feredal government.

The state acpuired privately owned lands to supplement state-owned portions of the huge tract at an expense of $1,500,000.

Although the National Park Service will be unable to fully develop the park site until after the war a limited improvement program will be maintained in the meantime, said Frank D. Quinn, executive secretary of the state parks board.

State Health Officer Announces School for Food Handlers, Aug. 30

Dr. George W. Cox, State Health Officer, announces that a school for food handlers conducted under the auspices of the Milam-Robertson County Health Unit, in co-operation with the State Department of Health will be held in Cameron Beginning August 30th.

The twelve hour course is for the purpose of familiarizing food handlers with high standards of santiation and cleanliness in preparing food and drink for public consumption, and the work will cover bacteriology, communicable diseases, medical zoology foods, disinfection, sterilization, personal hygiene and sanitation.

There is no charge or tuition in connection with taking this course of instruction, and at its conclusion, all who have completed the training will be awarded certificates by the State Department of Health.

This school is of particular importance at this time, for it fits in with the more rigid enforcement of food laws which are being carried on throughout the state.

Classes will be held Monday and Wednesday at the Health Units office and will last for three weeks. A class consisting of lecture and moving pictures will be held at 2:30 and repeated at 8:00 p. m. so that those working on all shifts will be able to attend.

The value of this series of classes to the operation of our food establishments and betterment of community health cannot be over-emphasized, and every proprietor of an eating or drink establishment is expected to have his full personnel take advantage of this instruction.

LOOKING FOR A GOOD USED CAR?

Put your money in a tire-saving, gas-saving USED STUDEBAKER

TIRE economy and gas economy are the things to look for in a used car these war days. You're sure to get them in a used Studebaker.

That's because used Studebakers, like new Studebakers, have no burdensome excess bulk.

Social Security Board Release Grants to Texas

Washington, Aug. 26—The social security board today released $1,993,143 in federal grants to Texas for aid to the aged, $140,052 for aid to needy children, and $63,117 for aid to the blind as it approved an amendment to the state's old age assistance plan designed to draw older persons into war work.

The effect of the newly approved amendment to the Texas plan would permit persons now on old age rolls to accept seasonal employment or defense jobs without being removed from the assistance rolls permanently, said John H. Winters of Austin, executive director of the Texas public welfare department.

A new Texas law permitting an old age recipient to receive at least $250 a year from seasonable or occupational employment without affecting his pension status originally had been held by the social security board to apparently not comply with the federal law governing such aid.

The board said federal checks would go out on schedule. Winters explained that the change was accomplished by redefining the needs of old age recipients who engage in outside work to permit them to have other expenses beyond the normal basic needs of food, housing, medical care and incidentals in determining whether their income is sufficient to warrant taking them off the assistance rolls or curtailing the amount of aid given them each month.

The new program is limited to the duration of the war.

AIR BATTLES RAGING OVER EUROPE TODAY

Heavy air battles in Europe and Italy featured the war Monday as jitters took hold on Allied conferees in Quebec as rumors ran the gamut of terror.

What to do with the increasing insistence of Soviet Russia on her demand for a second front, was getting the people stirred up. In England the press was growing more bitter, especially since Maxim Litvanoff has been recalled from his post in Washington.

Ambassador Maisky to London was recalled some time ago.

Some actually believed Russia was reaching the end of patience with Allied delay.

In Southern Italy the Axis lost 65 planes in two days and the Allies have lost 18. The air war was growing more bitter each day.

The RAF has bombed chemical plants in Cologne and points in the Rheinland. Bombers on day and attacks were over France Monday.

Mrs. Ed. Tucker of Austin, has been visiting friends in Cameron this week. Mrs. Tucker formerly lived in Cameron.

Mrs. Ruth Moore of Home Demonstration work has gone to Bryan after visiting in the home of Judge and Mrs. John Watson.

Mrs. A. A. Esslinger Honored on Her 71st Birthday

Mrs. A. A. Esslinger celebrated her 71st birthday anniversary Wednesday at her home here. She received many gifts from her family and relatives and from boys from Camp Hood, whom she refers to as her "battalion."

The soldiers are boys who are entertained at the Esslinger home each week end in groups of from two to nine. Some of them even return to spend their mid-week leaves with "Emma and Pop," having learned that the hospitality extended there is genuine. Among their offerings on her birthday were a crystal sandwich and salad set, a breakfast set of dishes, a covered dish and a box of monogrammed stationery.

Wednesday afternoon, Mrs. Esslinger was honoree at a birthday dinner in Rosebud at the home of her brother, E. E. Green.

Misses May Kenner and Jean Mitchell, are guests in the home of Judge and Mrs. John Watson.

Claudie Loften with the Seabees in Uncle Sam's Navy, and wife, are in Cameron visiting with his mother, Mrs. Loften, and sister, Mrs. Ben Kennon. Claudie is a volunteer in the Seabees and is now stationed in Mississippi.

Be it Ordained by the City Council of the City of Cameron, Texas:

Section 1. DEFINITIONS. by the term "city" as used in this ordinance is meant the City of Cameron, Texas

(b) By the term "taxicab," as used in this ordinance is meant every automobile and motor-proplelled vehicle used for transportation of persons for hire over the streets of the city, except motor buses and coaches oprated by bus lines over designated routes in and through said city.

(c) By the term "taxicab business," as used in this ordinance, is meant the use of one or more taxicabs within the corporate limits of the city, by the owner thereof, for the purpose of carrying or transporting persons for hire, eitner by driving the taxicab, or taxicabs, himself or by having some other person to do so for him; provided this definition shall be held not to include any person holding a valid city license to drive a taxicab when employed by any permittee under this ordinance.

(d) By the term "permittee," as used in this ordinance, is meant any person,firm, corporation, association, society, or partnership possessing a current, valid permit under this ordinance to conduct a taxicab business in the City of Cameron.

(e) The term "person," as used in this ordiance, shall include both singular and plural, and masculine, feminine, and neuter, and shall be held to embrace and mean any individual, firm, corporation, association, society, or partnership; and personal pronouns referring thereto shall mean and embrace all or either of said classes.

Section 2. APPLICATION FOR FOR PERMIT TO CONDUCT TAXI CAB BUSINES. Before any person shall begin to conduct a taxicab business in the City of Cameron, he shall file with the City Secretary of the City an application to the City Council of the city for a permit to conduct such business in said city. The application shall state the name and address of applicant, whether the applicant is an individual, firm, corporation, association, society, or partnership, and if a firm, association, society or partnership, the name and address of each member thereof, and if a corporation, its domicile and the name and address of its officers; and shall further state the number of taxicabs proposed to be orperated under said permit.

Section 3. FURTHER REQUISITES FOR APPLICATION FOR PERMIT. If the applicant is an individual, before any permit is granted it shall be made to appear that he is a bonafide resident of the City of Cameron; if a partnership, that the member of the firm who will be in active charge and control of the affairs of the partnership, is a bona fide resident of the city, and likewise if applicant is an association or society; and if a corporation, that the president, or other executive officer in active charge and control of its affairs, is a bona fide inhabitant of the City of Cameron.

Section 4. APPLICATION FOR PERMIT TO BE ACTED UPON BY CITY COUNCIL. It shall be the duty of the City Secretary, when an application for a permit is filed with him, to call the attention of the City Council of the city thereto at its next regular meeting following the said filing; and upon consideration of such application, the City Council may grant or refuse said application, as in their discretion may seem to the best interest of the citizenship of the city and to the public in general.

Section 5. ISSUANCE AND CONTENTS OF PERMIT. All permits for the conduct of a taxicab business in the City of Cameron shall be issued and signed by the City Secretary of the city, and sealed with the seal of his office, and shall be dated on the date of its issuance; shall bear a serial number, in the sequence issued, beginning with No. 1; shall state the name and address of permittee; shall state that permittee has been authorized by the City Council of the City of Cameron to conduct a taxicab business in the City of Cameron until the expiration of the 20th day of April next following the date of issuance; and shall state that said permit is subject to cancellation at any time by the City Council.

Section 6. FEE IMPOSED FOR PERMIT; AFFIDAVIT REQUIRED AS TO NUMBER AND DESCRIPTION OF TAXICABS; APPLICATION TA BE MADE AFTERWARD IF ADDITIONAL TAXICABS TO Be OPERATED. Before, or at the time of, issuance of any permit for conduct of a taxicab business, permittee shall pay to the City Secretary of city the sum of One Hundred Dollars ($100.00) per annum for the first four, or less, taxicabs to be operated under said permit, and the further sum of $25.00 per annum for each taxicab above four to be operated thereunder; provided, that where permits, original or additional, expire less than a year and more than three months after date of issuance, permittee shall be repuired to pay only as many tweflths of the annual fees provided for in this section, as there are months in the period from issuance to expiration of permit, any fraction of a month over 15 days to be counted as one-month in reckoning number of months contained in said period; and provided further that in all instances where permit expires three months, or less, after date of issuance, permittee snall pay full three-tweifths of said annual fee hereinabove provided for. Before the issuance of any said permit, permittee shall file with the City Secretary a statement in writing under oath, signed by him, and stating the number of taxicabs he will operate under said permit, and the make, model, motor number, and state license number of each. If, at any time afterward, the holder of a taxicab permit shall desire to use any additional taxicabs under his permit, he may do so only after he has made application to the City Council of the city for, and has been granted by said Council, a permit to use such additional taxicabs, and he shall in said additional application furnish to the City Secretary the same information regarding such additional taxicabs as is required by this section regarding those covered by the original permit, and shall pay to the City Secretary the said fee of $25 per car, or prorata part thereof, as hereonbefore provided must be done.

Section 7. PUBLIC LIABILITY INSURANCE. Before a taxicab business permit shall be issued, permittee shall pay the fees required by this ordinance and shall be required to file with the City Secretary of the City of Cameron, and thereafter keep in full force and effect, a policy of public Liability Insurance executed by an insurance company duly authorized by law to do business in the State of Texas, performable in Milam County, Texas, and to be approved by the City Council of the City of Cameron, insuring the public against any loss or damage that may result to any persons or property from the operation of said taxicab or taxicabs, and provided that the maximum amount of recovery in such policy of insurance shall not be less than thefollowing sums, to-wit:

For the injury to any one person, or the death of any one person in any one accident, $5000.

For the injury to two or more persons, or the death of two or more persons in any one accident, $10,000.

For the injury or destruction of any property in any one accident $5000.

The above described public liability insurance policy shall be a standard policy, and shall be for the protection of the passengers of said taxicabs and for the public, and shall not cover vants, agents or employees of the personal injuries sustained by serpersons, firms, or corporations so filing the same. All policies of insurance filed hereunder shall contain a provision for a continuing liability thereon up to the full amount thereof, notwithstanding any recovery thereon.

Said public liability insurance policy shall further provide that no action shall lie thereon against the insurance company until after a final judgment in favor of the injured or damaged person or persons, and against the owner and operator of said taxicab, not pending on appeal or writ of error, is, and remains unsettled, or unsatisfied.

In the event the City Council shall determine, after a hearing duly had after three (3) days notice given to a permittee, that any insurance given by permittee has become impaired, so as to afford less protection to the public than when originally filed, it may require a new or additional policy, so as to bring the protection of said insurance to its original amount, and the permittee shall within five (5) days after receiving written notice of such requirement, provide the required new or additional policy, failing which the permit of permittee shall automatically terminate. In the event that any insurer may desire to be released from any policy, he may give written notice of such desire to the City Council at least ten (10) days before he desires his liability released, and the City Council shall thereupon, by personal delivery or by mail, give written notice to any such permittee and demand that such permittee furnish new insurance by the expiration of the 10-day period provided for, and shall discharge such first insurer from any liability which shall accure after the time of approval of such new policy that permittee may file, or shall discharge such insurer after the expiration of said ten (10) day period.

In the event any policy be so cancelled, upon the request of the insurer, and no new policy is filed by said permittee before the cancellation of said original insurance, then the permit to operate taxicabs granted to permittee shall be automatically revoked; and neither said city nor any officer thereof shall be held liable for the pecuniary responsibility or solvency of such insurer, or in any manner become liable for any sum on account of any such claim or act or omission relating to any such taxicab nor shall the liability of any person owning or operating any such taxicab be in any manner limited or changed in connection with this ordinance, or such permit or insurance.

Section 8. TAXICABS TO BE IDENTIFIED. Every holder of a taxicab business under this ordinance shall have and keep painted in fast color, contrasting with the color of the taxicab, on both sides and on the back of each and every taxicab operated by him, in letters at least four inches high, the name of permittee and the words, " TAXI PERMIT NO.....," filling the blank with the figure, or figures, constituting the serial number of his permit, which number shall also be not less than four inches high.

Section 9. SCHEDULE OF TAXICAB FARES TO BE FILED AND POSTED. The rates for taxicab fares within the City of Cameron shall be reasonable, and shall be in conformity with the schedule which the permittee shall file with the City Secretary at time of issuance of permit, and such schedule shall show in detail the fare which permittee shall charge for different kinds of service, and shall remain in force and effect until a new rate is filed with the City Secretary. A duplicate of said schedule shall at the same time be delivered to the City Secretary, which duplicate shall by said Secretary be delivered to the City Marshal of the City. It shall further be the duty of permittee to post a copy of said rate schedule in each and every taxicab operated by him, in a conspicuous place, and to keep a copy so posted at all times when taxicabs are being operated.

Section 10. APPLICATION FOR CONTENTS OF, AND REQUIREMENTS AS TO, LICENSES FOR TAXICAB DRIVERS. (a) It shall be unlawful for anyperson to drive a taxicab upon the streets of the City of Cameron without first obtaining a license to drive a taxicab issued to him by the City of Cameron. It shall be the duty of any person desiring to drive a taxicab in the city to apply to the City Council for a license to drive a taxicab, upon a blank to be furnished by the City Secretary, giving his name, age, present address, address and place of employment for the two years preceding application, with reasons for leaving said employment, whether or not he has been convicted of a felony, and whether or not he has a police record; and to attach to said application affidavits of two reputable citizens attesting to the character of applicant.

(b) When said application shall have been acted on favorably by the City Council by resolution, it shall be the duty of the City Secretary to issue to applicant a license to drive a taxicab upon his payment of the fee of Two Dollars, which license shall be valid for a period of two years from the date of issuance. Said license shall not be transferrable.

(c) It shall be the duty of every taxicab driver, when operating a taxicab in the City of Cameron to have his City of Cameron license to drive a taxicab, affixed and displayed in a conspicuous place in the driver's compartment thereof.

Section 11. TAXICAB S H A L L NOT BE OVERLOADED. No driver or owner of any taxicab operated under permit provided for by this ordinance shall permit or allow more than six persons in addition the driver, to ride in said taxicab; and in no event shall said driver or owner permit or allow more than two persons, in addition to the driver, to ride in the front seat of said taxicab.

Section 12. TAXICABS MUST BE OWNED BY PERMITTEE. It shall hereafter be unlawful for any person conducting a taxicab business in the City of Cameron to use or operate, or cause to be used or operated as a taxicab under his permit, any vehicle not owned by him.

Section 13. UNLAWFUL TO OPERATE TAXICAB WITHOUT PERMIT. It shall be unlawful for the owner or driver of any taxicab to operate same where a permit has not been issued therefor under the provisions of this ordinance, and a violation of this provision shall be sufficient reason for revocation by the City Council of permit of such owner or permittee with respect to any other taxicabs operated by him.

Section 14. UNLAWFUL USE OF TAXICAB UNDER PERMIT. It shall be unlawful for the driver or owner of any taxicab to permit any person to occupy or use such taxicab for the purpose of prostitution, lewdness, or assignation, or to direct, take, or transport, or offer or agree to direct, take or transport any person with knowledge or reasonable cause to know that the purpose of such directing, taking or transporting is prostitution, lewdness, or assignation.

Section 15. AD VALOREM TAXES. It shall be the duty of every owner of a taxicab that operates in the City limits of the City, to pay all advalorem takes assessed by the City against such vericle and other equipment used in such business, and a failure to pay such ad valorem taxes before they become delinquent, shall operate as a revocation of the permit issued in accordance with this ordinance.

Section 16. REVOCATION OF PERMIT. Whenever any person holding a permit to conduct a taxicab business shall for a period of thirty (30) days consecutively fail to make a reasonable and consistent effort to operate the number of taxicabs permitted to him, except in case of an emergency over which the permittee has no control, the City Council upon hearing after five (5) days notice to said permittee, may revoke said permit. The City Secretary shall keep a complete record of each taxicab permit issued and of all renewals and revocations thereof.

Section 17. REVOCATION OF PERMIT. Any permit issued under the provisions of this ordinance shall be non-assignable, and may be revoked by the City Council at any time it shall appear to the City Council that permittee has violated any provision of this ordinance, or failed to comply with any reqquirements hereof.

Section 18. PERMITTEE SHALL NOT PERMIT ANY PERSON NOT HOLDING TAXICAB DRIVER LICENSE TO DRIVE TAXICAB. It shall hereafter be unlawful for any person, firm or corporation holding a permit to conduct a taxicab business in the City of Cameron to permit any person who does not hold a valid license from the City of Cameron to drive a taxicab, to drive or operate on the streets of the City, any taxicab owned or used in connection with the said business of the permittee.

Secion 19. MONTHLY INSPECTION OF TAXICABS REQUIRED. Every permittee in the City of Cameron shall have each and every taxicab used in his business inspected between the 1st and 5th of each month while his permit is valid and shall file with the City Secretary on the 5th day of every month aforesaid a statement by a competent, resident mechanic signed by him and stating that he has inspected such vehicle, the date of inspection, the State license number, the name of the permittee, the serial number of his permit; and that the lights, brakes, and steering apparatus of such vericle so inspected by him are in good mechanical condition.

Section 20. ABANDONMENT AND SUBSTITUTION OF VEHICLE. In the event any permittee abandons the use of any vehicle theretofore operated by him under such permit, and desires to substitute another vehicle for such abandoned vehicle, he may make application to the City Secretary in writing for authority to make such substitution, giving the same information regarding such substituted vehicle as is required by this ordinance regarding the original vehicle, and if it appears to the City Secretary that said substituted vehicle is suitable for said purpose, he shall issue to such applicant a permit to make such substitution, upon payment by said applicant of a fee of One Dollar.

Section 21. OFFENSES AND PENALTIES. Any person who shall conduct a taxicab business in the City of Cameron without a valid permit as required by this ordinance, or who shall fail to have all vehicles used by him as a taxicab lettered and painted as provided in Section 9 of this ordinance, or who shall use or employ, as a driver of any taxicab owned by him, any person who does not have a valid license from the City of Cameron to drive a taxicab, or any person who violates any other of the provisions of this ordinance, shall be guilty of a misdemeanor, and upon conviction shall be fined in any sum not exceeding One Hundred Dollars.

Section 22. UNCONSTITUTIONALITY OF ANY PART OF THIS ORDINANCE. If any clause, section, sentence, or part of this ordinance shall be declared to be invalid, or null and void by courts of conmpetent jurisdiction, then such holding shall not affect the validity of the remaining portions of this ordinance.

Section 23. EMERGENCY PROVISION. The fact that the City of Cameron now has no adequate regulation of taxicabs creates an emergency and public necessity that this ordinance shall become effective at once, and that the requirement that no ordinance shall be passed on the day on which it is introduced shall be suspended, and it is accordingly ordained that said requirement is hereby suspended, and that this ordinance shall become effective immediately upon its passage and publication.

Passed, Examined and Approved, this 17th day of August, A. D. 1943.

LELAND GREEN,
Mayor of the City of Cameron, Texas.

ATTENT:
DAN TYSON,
City Secretary, City of Cameron, Texas.

ROOSEVELT IN OTTAWA TALK TAUNTS HITLER

Out of his knowledge of the new forces to be lossed upon Axis Europe by the decisions of Quebec, Persident Roosevent today sternly warned Adolf Hitler:

"Surrender now."

The Allies are bent upon achieving "victory in the shortest possible time," he said, and have arrived at definite war plans with which Germany, Italy and Japan will be duly acquainted on the field of battle.

The President made no metion of surrender by Italy or Japan, but said that if Germany's leaders could know the strategy mapped at Quebec they would find "surrender would pay them better now than later."

Speaking on parilament hill in the capital of America's northern good neighbor, the chief executive also disclosed that Prime Minister Churchill, Prime Minister MacKenzie King and he had discussed post-war problems at their Quebec meeting.

The President's remarks appeared to project the United Nations organization into the post-war period as machinery suitable for creating a permanent peace.

"Everyone of the United Nations believes that only a real and lasting peace can justify the sacrifices we are making, and our unanimity gives us confidence in seeking that goal," he said.

His advice to Hitler and the war lords of Germany brought cheers from 50,000 Canadian throats.

"Somethimes I wish that great master of inuition, the Nazi leader, could have been present in spirit at the Quebec conference—I am thoroughly glad he was not there in person.

"If he and his generals had known our plans they would have realizied that discretion is still the better part of valor and that surrender would pay them better now than later."

Baptist Revival to Close Sunday Night

The Baptist meeting which began last week, with Rev. R. L. Brown, of College Station, as guest speaker, and Roger Bell of College Station as song leader, is being held here at the First Baptist church, with Rev. Sanders local pastor, directing programs. Morning services are held each morning at 10 o'clock and evening services are held outdoor at 8:30.

The meeting will close this coming Sunday evening with a Baptismal service to follow Sunday September 5th.

Many soldiers visiting Cameron on Saturday and Sunday have taken much interest in the services.

McNutt Says Draft Of Fathers Will Prevent Long War

Washington—Manpower Commissioner Paul V. McNutt asserted Wednesday night that the father-draft and new manpower regulations were necessary to make certain that "the war will not be prolonged for even one unnecessary hour, that not one single lift is lost which it would be possible to save."

McNutt, in a radio address, said that the problem of meeting military and industrial manpower needs had become "extremely serious."

Without mentioning in so many words the possibility of a general draft of labor, which he previously had called "inevitable," he commented:

"We can no longer exclusively rely on the voluntary co-operation of worker and management to solve the problem of labor, acting through their wartime government, must begin now to exercise a more positive control."

He said his order authorizing the general drafting of pre-Pearl Harbor fathers after October 1—and those in non-deferrable jobs even earlier—could not be avoided without crippling war production or failing to meet military requirements.

PRESBYTERIAN CHURCH

Next Sunday morning at the 11 o'clock worship Rev. C. H. Spence of Austin, will bring the message.

There will be no preaching services Sunday night, but all members of the church are urged to attend the closing service of the Baptist Revival.

UNITED NATIONS ARE CONFIDENT OF VICTORY

Lord Louis Mountbatten, leader of the British Commandos, was named supreme Allied commander in South east Asia last night as President Roosevelt and other Allied leaders told the world that Germany, Italy and Japan shortly would be shaken on the field of battle from the comparative lull now previaling.

Mountbatten, cousin of King George VI, was obviously appointed in the Quebec conference of President Roosevelt and Prime Minister Churchill. The creation of the new post provided a counterpart for General Douglas MacArthur's command in the Southwest Pacific and presaged an important new thrust at Japan.

The 43 year old commander, a navy man until he took over the combined operations of land sea and air fighting commandos, will conduct Allied operations based on India and Ceylon against Japan. His post was compared to that of Gen. Dwight D. Eisenhower's command of Allied forces in North Africa.

Mountbatten's appointment indicated that drive to free the Burma road, send supplies to China and attack Japan from the new bases thus obtained may not be far off.

BIRTHDAY PARTY

Shirley Darlene Scarbrough celebrated her 8 birthday recenty with an enjoyable party. There were ten of her little playmates present: Nora Frances Price, Shirley Ann Smith, Japoce Ann Pate, Myrtle Marie Springer, Evelyn Armstrong, Helen Armstrong, Bobbie Sue and Billie Rue Price, Carol Ann Leonard, Alvin Wayne Baggerly, Billie Don Scarborough. Maysfield Boy in Paratroops Writes From North Africa

Mrs. Jake Dodson of Maysfield has recently learned that her son Cpl. Cecil R. Dodson who was formerly sationed in North Africa participated in the invasion of Sicily. He is with the paratroops. His mother recently received the following letter:

Sicily.

Dear Mom and All:

How are you? Fine I hope. I'm doing O. K. Saw some action. Our platoon came through without a scratch. The people here are friendly. Lots of them have realtives in the U. S. A. I hope you have not been worried about me for there is nothing to worry about. We are camped here by the Mediterranean sea in a vineyard. Its nice fror swimming and the grapes are ripe.

How is Granma? What is Neal doing? Has Allene been there lately? and have you been hearing from J. R. regularly? There are lots of questions I could ask. How are crops there? I guess Donald is still in England.

These people here haven't anything. in fact, all the places I've been are way behind the U. S. in everyway. The poorest States there are much better off than here. It is almost impossible to buy meat here. The Germans and Italians got about everything.

The grapes and tomatoes are ripe. There is some wheat and I saw a few small patches of cotton, which was broadcast and about a foot high.

This is a mountainous Island, just one mountain after the other.

We jumped here Friday night the 9th. We are supposed to get a mail call tonight. It has been sometime since we had mail.

There isn't much I could tell you about the war. I guess that you have read about all there is to know. Lots more than I know. Well be sweet and tell everyone hello. Write soon.

Sincerely,

CECIL.

ALLIED PLANES AGAIN IN OFFENSIVE SWEEPS

Paying their fifth visit to St. Omer in two months, American medium bombers again blasted railway yards at the town in occupied France Monday in a follow-up of an RAF bombing of Leverkusen Chemical works and other Rhineland centers.

U. S. airmen first attacked the freight yards at St. Omer, 22 miles southeast of Calais, on June 24. Later they made three attacks on the German aid field there.

Off the Dutch coast, Spitfires attacked enemy shipping and coastal command, Beaufighters struck at a small force of enemy escort vessels, the Air Ministry announced. Beaufighters destroyed an enemy bomber over the North Sea and Spitfires shot down an enemy fighter in a sweep over the Bethune area in France.

"Uneventful sweeps' were made by Spitfires over Northern France and by U. S. Thunerbolts over the Dutch coast this afternoon, the Air Ministry reported.

Two fighter planes were missing after the day's operations.

The Berlin radio became silent late Monday night with the explanation it was "for technical reasons," often an indication that night bombers are attacking the Reich.

Hundreds of British heavy bombers made the attack upon Leverkusen, breaking a week end lull.

Leverkusen, bombed for the first time since 1940, was the only specific target named in Monday night's missions. The Air Ministry said five bombers were lost. The German radio said Dusseldorf was also attacked.

Ferral McElwrath of Fort Worth was here Thursday on a visit to friends and relatives.

Mrs. N. H. Butts and her guest, Mrs. Lucille Brady of Temple, spent Wednesday with Mrs. Butts' daughter, Mrs. H. H. Chamberlain at Silver City.

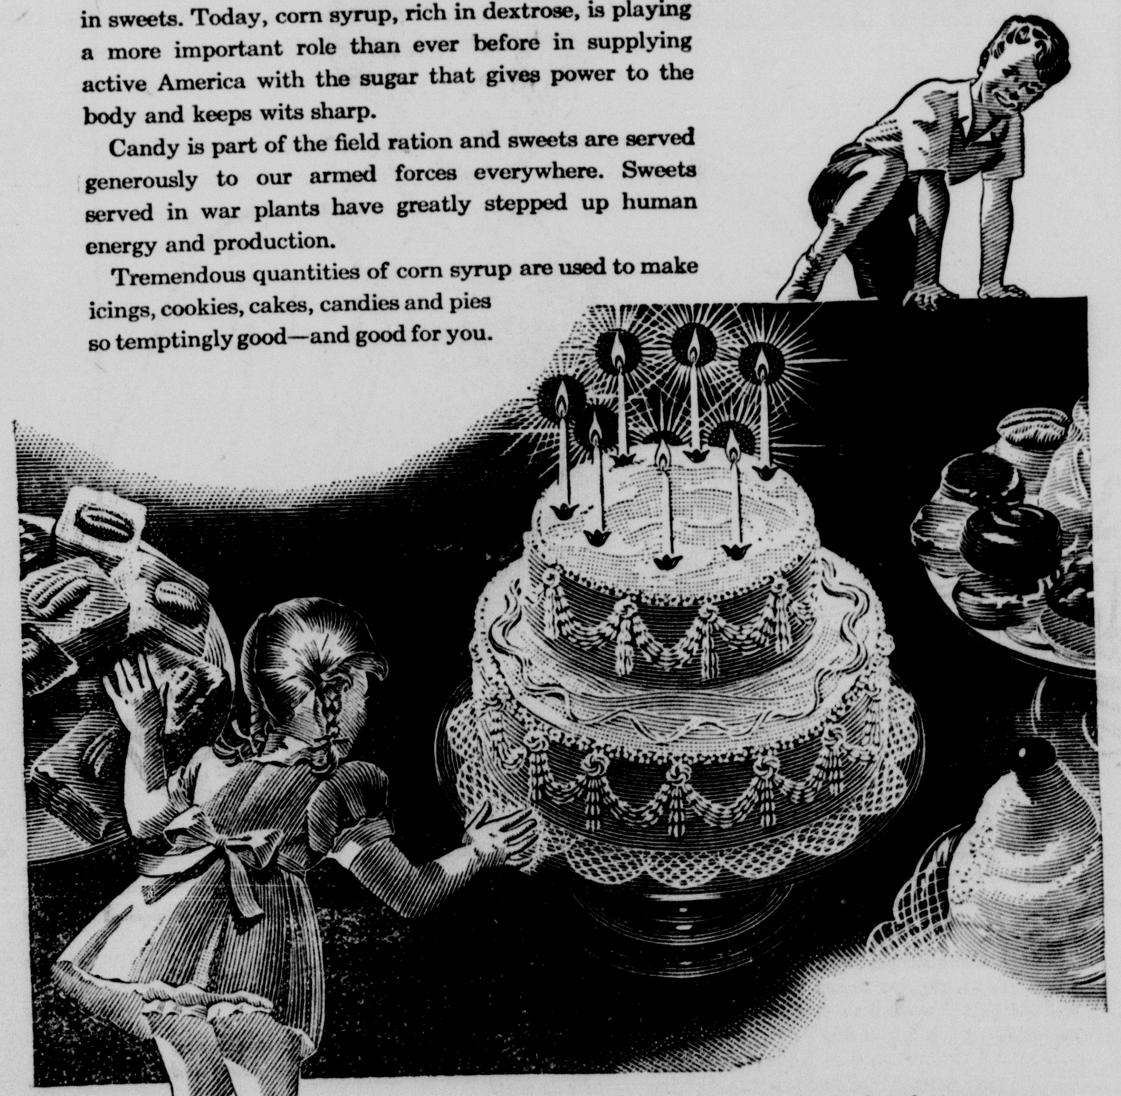
By all means, let 'em eat cake ....and candy, too

Nature has her own way of telling us that there is energy in sweets. Today, corn syrup, rich in dextrose, is playing a more important role than ever before in supplying active America with the sugar that gives power to the body and keeps wits sharp.

Candy is part of the field ration and sweets are served generously to our armed forces everywhere. Sweets served in war plants have greatly stepped up human energy and production.

Tremendous quantities of corn syrup are used to make icings, cookies, cakes, candies and pies so temptingly good—and good for you.



Immense amounts of corn syrup for the army as well as for civilian consumption are produced by the Home of Budweiser. Our Corn Products Division—working entirely apart from the brewery—grew out of the experience that developed from years of laboratory research. The quest for better methods and facilities for brewing the world's most popular beer never ceases.

NEW SUPPORT PRICES FOR COTTON SEED GIVEN

In a move to stimulate greater production of cotton seed oil, meal and linters needed for war purposes, the War Food Adminstration announced today that it is estabilsming a minimum support price for cotton seed production from the 1943 crop at $55 per ton, f. o. b. shipping point in Oklahoma, Texas and New Mexico, and $56 per ton, f. o. b. shipping point in all other producing states. This is an increase of $6 per ton over last year's minimum support prices.

The new support price will be effectuated through an "open offer" by the Commodity Credit Corporation to support the market for cotton seed products. Operators of cotton seed crushing mills who accept the offer agree to pay for all cotton seed of the 1943 crop purchased in lots of 10 tons or more between August 1, 1943 and July 31, 1944, not less than the specified minimum support price, f. o. b. shipping point, basis "U. S. Standard Grades," as amended July 18, 1939, subject to the rules, regulations and standard methods covering the handling, sampling, and analysis of cotton seed for grading purposes established by the War Food Administration.

However, in any State or area where an oil mill which has accepted the offer desires to purchase cotton seed at a "flat" or "as is" price, such "flat" or "as is" prices shall average not less than the average price which would have been paid if each lot of cotton seed had been purchased on a "U. S. Standard Grades" basis.

For oil mills meeting these conditions, Commodity Credit Corporation will support prices for cotton seed products through July 31 1944, with an offer to purchase cotton seed oil at 1-8th cent per pound below the ceiling price; bulk cotton seed meal, 41 per cent protein minimum, at $43 per ton in Louisiana, Mississippi, Arkansas, Tennessee, Missouri and Illinois; $44 per ton in North and South Carolina, Georgia, Alabama and Florida, and $45 per ton in Texas, Oklahoma, New Mexico, Arizona and California; and "chemical grade" linters at the ceiling price.

Under last year's program, the minimum support price for cotton seed was $49 per ton for basis grade seed f. o . b. shipping point in Oklahoma, Texas and New Mexico, and $50 per ton in all other producing states.

On the basis of the new support prices, taking into consideration average quality premiums and an average ginners' margin of not more than $3 per ton, prices to growers should average approximately $53 per ton in bale lots at the gin.

Prices actually received by growers will, of course, vary from time to time and by areas according to the quality of seed being marketer, the prices being paid by mills, and the ginners' margin in effect at the time of marketing. Weather during the harvest period will affect the quality of the seed. Lower moisture in the seed will make each pound more valuable. Wet weather will increase the mositure content and decrease the value of each pound of seed.

Gas Cut in Cameron To Be 25 Per Cent Says Mr. Ickes

B and C auto ration book owners will have their gasoline cut twenty-five per cent, one fourth, beginning at midnight Sunday, it was made known from **Washington Friday.**

The Herald is the first newspaper to bring this announcement to the people of Cameron. The cut is to be made in all mid-western states and that includes Texas.

Harold Ickes, fuel administrator, will put the order into effect at midnight Sunday, August 15. Car owners in the east cannot get gasoline so they are going to take fuel away from car owners in the mid-west. There is no shortage of gasoline. It was rationed to begin with as a tire saving measure.

Here in Texas where we produce practically the world's supply of gasoline and oil there is no transportation problem. In the east where they make the plow tools freight rates and profits are exacted of Texas farmers because they have no foundries. We must never have equal advantage?

On the whole ration boards in Milam county have done a sweli job and there is little or no complaint. The people, however, will demand gasoline or scalp every politician in America.

Fear was expressed that black markets are certain to come. Prohibition had its inconveniences. One usually had to walk a block or two to get to Joe's place. Gasoline will be had.

SHOW DOWN NEAR AS RUSSIANS ASK AID

All signs were pointing definitely to an early invasion of the continent of Europe Thursday.

The hour seemed at hand when the forces of the United States and Great Britain would strike across the English Channel, at Norway or the Low Countries.

The Red Star's plea for a second front in Europe was drawing special attention at the Quebec conference between President Roosevelt and Prime Minister Winston Churchill and the staffs of both nations.

The German radio was broadcasting that an invasion fleet had already assembled in the Mediterranean.

The Algiers radio broadcast a message to patriots in the occupied countries asking them to be prepared for the invasion at any moment. The same message went out to the patriots of the conquored countries from the London broadcasting station.

Early Thursday morning fomations of bombers made up of American and British airmen, streamed across the Channel to attack. Two hours were required for the bombers to make the passage and there were indications it was the largest scale attack in many weeks if not in the entire war.

American naval units, including large ships of the line, had joined the British in blasting the Italian mainland.

The entire Italian 6th Army was destroyed in the battle for Sicily, won by the Ailies.

General Dwight D. Eisenhower, the Texan, supreme commander in the Mediterranean, has been congratulated by Presibent Roosevelt and King George of England.

While there have been many times during recent months when invasion seemed imminent, nothing approaching the elements now in the picture have heretofore been seen. Stand by, seemed to be the words heard at noon as this dispatch is brought to the readers of The Herald.

The Japs have been so badly beaten in the Pacific they may not be able to recover. Some 200 of their bomber and fighter planes were lost in the attack on Wewac, New Guiena.

DEPOSIT A BOTTLE IS STATE WIDE DEMAND

Governor Coke R. Stevenson has issued a proclamation asking the people to back a movement to restore bottles to use in the state, due to the critical shortage now existing.

Here is the Governo's proclamation:

WHEREAS, the conservation of deposit bottles, like the conservation of all other materials these days, is of vital importance to everyone; and

WHEREAS, millions of these empty deposit bottles are know to be in homes, garages, business places and industrial plants; and

WHEREAS, the return of these idle bottles which can be sterilized for civilian re-use would permit the glass industry to use even more of its facilities for the manufacture of glass containers for food and other items required by the Armed Forces at home and abroad.

NOW, THEREFORE, I, Coke R. Stevenson, Governor of the State of Texas, do hereby request that every person co-operate in this

DEPPOSIT BOTTLE CONSERVATION which opened August first and ask that they search their homes, garages, business places and industrial plants and promtly return these containers to the places from which they were obtained.

IN WITNESS WHEREOF I have hereunto signed my name officially and caused the Seal of State to be affixed hereto at Austin, this the 19th day of July, A. D. 1943.

COKE R. STEVENSON,
Governor of Texas.

AMAZING
WORM MEDICINE

PHENOTHIAZINE is called the "wonder drug" because it is effective in treating more kinds of livestock for more kinds of parasites than any other drug known up to now. Treatment is simple—in many cases it can be given with feed. Cost is but a few cents a head. Livestock is too valuable today to take a chance. If you have worm infested CALVES, CATTLE, SHEEP, GOATS, HORSES, MULES, SWINE or CHICKENS and TURKEYS, try treating them with this amazing new preparation. Complete directions on bottle label.

WORKING for VICTORY
ON THE
SANTA FE

Through these hectic days and busy nights, troop trains, regular trains with troop cars, and freights loaded with war materials keep rolling along the Santa Fe.

Watch a section hand grab his pick a little tighter after a trainload of American fighting boys has rolled past. "We'll-get-'em-through" is his attitude these days.

Yet—he is only one of more than 60,000 employes on the Santa Fe who are doing their bit to "keep 'em rolling" all along the line . . .

moving millions of troops and millions of tons of materials needed for Victory, where and when they are needed.

They know that *if you stop the wheels that move them, you stop everything that floats and flies as well!*

And they never forget that thousands of boys in our armed forces came from Santa Fe ranks and from the families of Santa Fe employes, and these boys who are fighting for all of us have the toughest job of all!

You bet, we're backing them up in the best way we know—and that's by buying War Bonds, and seeing to it that movements essential to Victory come *first* on the Santa Fe!
